

THE UNIVERSAL COLLEGE OF HEALTH SCIENCES

FACULTY OF AESTHETICS

MEMBER REGISTER OF PROFESSIONAL QUALIFICATIONS

The practitioners on this register are fully qualified independent professional practitioners who are bound by a strict code of ethics and discipline, and from whom you can seek professional services from, within the confines of the local laws of where they practice. Therefore, they may also need to hold a local license, and it is up to the individual seeking the professional services of our qualified practitioners to check that they have this before having treatments done. They are also bound to hold insurance and undertake regular training up dates in emergency first aid including CPR. If you have a concern about one of our members, please contact us.

This register is a public service, please respect the privacy of our members. This register should not be used by commercial entities for marketing and promotion.
